## **Storm Water Management**

The Storm Water Division addresses storm water related calls throughout the City. To ensure that the City is doing its part in the water quality program, the division addresses problems along the City's Right-of-Ways (cleaning storm drains, cleaning of roadside ditches, etc.) along the City Right-of-Way as well as addressing citizens with storm water related issues. Calls related to Storm Water issues should be directed to 423-877-1103 Extension 1050.

Illicit Discharge Detection

And Elimination

Public Works Crew Maintaining Storm Water Flow

Illegal Storage of Containers

Use of silt fencing to control Storm Water Erosion due to Storm Water

Maintenance of Catch Basins to control Storm Water flow
